

Post Practicum 1 Assignments

- 1) TSM p260(1&5). #1, instead of a letter, draft a syllabus/list of expectations.
- 2) Find 2 Enrichment lessons in TSM (>p308) that you think you could/would use in your high school classroom. Explain where and how you would use it.
- 3) From a previous unit write a quiz and test (Using Microsoft Word). Also develop an answer key and grading rubric for each.
- 4) Final Project (due Dec 15): Choose a different unit than from before. Unit must have at least 6 sections in it.
 - a. Create a detailed timeline for that unit (3 weeks)
 - b. Write a lesson plan, with opening and practice problems. At least 1 lesson must be done using Powerpoint, SMART, or Interwrite software. Print slides for that lesson. All lessons can be done using software if you so choose.
 - c. Using Microsoft Word, write a review worksheet for any quizzes and tests you plan in the unit.
 - d. Write all quizzes and tests using Microsoft Word. Also include answer keys and grading rubrics for each.
