

Week 1

A) Chapter 1(TSM) Exercises, p13 (4, 6, 7, 8, 10)

B) Paper – Philosophy of teaching.

~ < 1 page, this document could be included with an application

C) Paper – dream a little dream.

~ How would your dream classroom look? Not the students in it, but if money was no object, what things/curriculum/technology would you want to create your perfect dream classroom?

D) Paper – How do you define technology in the classroom? What does this mean to you? What technology do you plan to use and how to you plan to use it?

E) Research and present – 3 different classroom seating arrangements. Have 3 Pros/3 Cons for each one. Which of the three do you think you'll use and why? Do you plan to assign seats in this arrangement?
